

# GTD® RoadMap<sup>SM</sup>

Winning at the Game of Work & Business of Life™

## MEET DAVID ALLEN IN PERSON

**“One of the 50 who matter most”**

–*Business 2.0 Magazine*

### Overview

You’ve read his best-selling book. You’ve read about him in Fortune, Forbes and Fast Company magazines. Now is your chance to see him live!

Whether you are relatively new to GTD or an experienced practitioner, nothing is more inspirational than this one-day live seminar presented by David Allen himself.

Engaging, thought provoking, humorous and insightful - GTD Roadmap is the flagship seminar of the David Allen Company.

GTD RoadMap offers a real set of tools that builds the habits of successful self-management for accelerated performance. The seminar will provide you with your own internal “GPS” to confidently identify and prioritize exactly what you need to be focusing on at any moment in time to stay on top of your game.

It is only presented in a limited number of cities each year, and now is your chance to register for the event of your choice.

Register now. Seats are limited!

One-day seminar with David Allen

**\$995\***

\*The fee for London (UK) or Dortmund, Germany is \$1295.  
Discounts for early registration. Group rates available for five or more.

### You’ll Experience:

- A full day of personal insights and experiences direct from David Allen
- Practical exercises and discussions led by David and developed over his more than 30 years of coaching high performing executives and leaders
- Exposure to powerful workflow mastery principles - the same ones implemented by many of the world’s leading corporations and institutions
- A new sense of relaxed control and personal effectiveness, knowing that your busy life is indeed manageable and there is hope for improved work/life mix

### You’ll Learn:

- How to leverage highly effective techniques for handling email, paperwork and projects
- How to implement specific action steps for managing all of your areas of focus
- How to capture what has your attention, and place it into a system that you can trust – day in and day out
- How your personal levels of control and perspective can impact your performance
- How to make sure that your personal GTD implementation is working for you
